# Team Chicago Pro Academy Introduction

Pro Academy is designed to teach young players (5, 6, 7 year olds) the fundamentals of soccer in a fun and exciting environment. **It is meant for the child who has already participated in a WAA or recreational clinic, program or indoor soccer program, and has a basic understanding of the game.** Pro Academy is more of a training environment than the traditional Wheatland Athletic Association Kindergarten/Pre-School Program. Fundamental skills such as dribbling, shooting, passing and goal keeping will be taught, with an emphasis on skill development and ball control. Team Chicago teaches a Brazilian style of soccer through the use of “cool moves” and individual development.

The outdoor program will include participation in a 5-day skills camp, Friday evening training session and a scrimmage session each Saturday morning. Each session lasts one hour, skills camp lasts 2 hours.

**Level I** is intended for players new to Team Chicago Pro Academy and/or players in their first year of Team Chicago Pro Academy.

**Level II** is for the player that has attended at least 3 sessions of Team Chicago Pro Academy **and** has mastered the skill set of Level I.

*Team Chicago reserves the right to place players at their appropriate Level*

If you are interested in signing up for the program, fill-out the registration form on the other side. The kids should wear a yellow Team Chicago t-shirt (available in the TC office for \$10.00 if you don't have one already). Please have shin guards, cleats or gym shoes, a size 3 ball with name and phone number on it, and a water bottle.
